

Declaration

Office: **Amsterdam**

Date: **07 July 2009**

This certificate is issued to **Anamet Europe BV, 1005 AD Amsterdam - The Netherlands**

Subject: **Anaconda Sealtite type HTDL, ZHUA and fittings.**

In principle no objection is seen in the use of this conduit and connectors for electric wiring over short distances on board of ships classed or to be classed with our Society, provided they are suitable for the particular applications and installed in accordance with relevant requirements of the Society's Rules and Regulations.

Toxic and Halogen type should not be used on passenger vessels.

F. Ruisi
Surveyor to Lloyd's Register EMEA

A member of the Lloyd's Register Group

Lloyd's Register, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as the 'Lloyd's Register Group'. The Lloyd's Register Group assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register Group entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.
